1

Take WorkKeys® assessments for the NCRC in these core areas:

Applied Math,

Locating Information &

Reading for Information.

The cost of all 3 tests is \$36.

2

Receive your NCRC from Wayne CC in one of four levels based on your scores:

- *Platinum*
- *Gold*
- *Silver*
- *Bronze*

Whatever your goals, NCRC from WCC will help you achieve them faster.

3

Present your NCRC to employers as a proven measurement of your job skills. NCRC is recognized and respected by employers across the US. NCRC can help you get hired or promoted into the job you want. WorkKeys® testing can also help identify skills needing improvement so you can take advantage of the many educational opportunities at Wayne CC.

The WORKS Lab is available for NCRC test prep or skills upgrade training in WAL 136. The Lab is offered on a first-come first-served basis and is Open Entry/Open Exit, meaning that individuals come to the lab as needed to prepare for the NCRC. Some will come to the lab only once or twice while others may attend on a more regular basis to achieve their goals. Instruction in the lab is self-directed with an instructor-facilitator available to assist students. Individuals who have taken the test but wish to improve their scores will also find the lab helpful.

To take the assessments for NCRC at Wayne Community College, call (919) 739-7004. To sign up for testing sessions at SJAFB, please call Airman and Family Readiness Center (919) 722-1123.

Testing Locations: All tests at WCC will be held in Walnut 136. Testing times vary each month. For a calendar of this month's testing, visit us on the web at www.wayneworksncc.com. SJAFB testing is open to military personnel and their dependents. Registration for testing at SJAFB is done through the Airman and Family Readiness Center.
